

ARTICLES OF PROTECTIVE COVENANTS**HIGHLAND VILLAGE 6TH ADDITION SUBDIVISION**

The undersigned hereby declare that all of the real property located in the County of Bannock, State of Idaho, known as Blocks 1 and 2 of HIGHLAND VILLAGE 6th ADDITION SUBDIVISION, is and shall be held, conveyed, hypothecated, encumbered, leased, occupied, built upon or otherwise used, improved or transferred in whole or in part, subject to the HIGHLAND VILLAGE 6th ADDITION Subdivision Covenants meaning the covenants, conditions and restrictions set forth in this DECLARATION. All of said restrictions are declared and agreed to be in furtherance of a general plan for the purpose of enhancing and perfecting the value, desirability and attractiveness of said real property and every part thereof. All of the covenants, conditions and restrictions as set forth in this DECLARATION, shall run with all of said real property for these purposes and shall be binding upon and inure to the benefit of the undersigned, all lots and all owners and their assigns, transferee and successors in interest. These protective covenants shall be subject to amendments only by the constituted municipal governing body in which this subdivision is located, together with a minimum of two-thirds (2/3) vote of legal property owners in the subdivision. Invalidation of any one of these covenants by judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect.

The residential area shall consist of Lots 1-6, Block 1 and Lots 1-10, Block 2, HIGHLAND VILLAGE 6th ADDITION Subdivision. Lots within such area shall be for the exclusive use and benefit of the Owners thereof, subject, however, to all of the following limitations and restrictions;

1. **RESIDENTIAL USE.** Each numbered lot within the residential area shall be used exclusively for single family residential purposes. No structure whatever, other than one private single-family dwelling, together with a private garage, shall be erected, placed or permitted to remain on any of the lots. No gainful occupation, profession, trade, business or other non-residential use which encourages patron visits shall be conducted in, on, or from any lot or building. This provision, however, does not restrict the use of the property for a private office wherein telephone and computer based work requiring limited additional traffic, parking and visits are undertaken. No signs will be displayed for business purposes. Nothing herein shall be deemed to prevent the leasing of an entire lot and all the improvements thereon to a single family, and not otherwise, from time to time by the OWNER thereof subject to all of the provisions of the HIGHLAND VILLAGE 6th ADDITION SUBDIVISION Restrictions.
2. **BUSINESS CONSTRUCTION.** No store, office or other place of business of any kind, and no hospital, sanatorium or other place for the care or treatment of the sick or disabled, physically or mentally, nor any theater, saloon, or other place of entertainment, or any church shall ever be erected or permitted upon any of the lots or any part thereof.
3. **MAINTENANCE AND REPAIR OF BUILDINGS.** No building, residence,

13-2

improvement or structure upon any lots shall be permitted to fall into disrepair, each such building and structure shall at all times be kept in good condition and adequately painted or otherwise finished. Owners shall maintain in good repair the exterior surfaces, including but not limited to, walls, roofs, porches, patios, and appurtenances. Nothing shall be done in or to any such building which will impair the structural integrity of any building. Garages must be kept in a neat and tidy manner at all times.

4. **MAINTENANCE OF LAWNS AND PLANTINGS.** Each owner shall at all times keep all shrubs, trees, grass and plantings of every kind on Owner's lot, including set back easement areas, and park strip next to the curb, neatly trimmed, properly cultivated and free of trash, weeds and other unsightly material.
5. **ARCHITECTURAL CONTROL.** No building shall be erected, placed or altered on any lot until the construction plans and specifications and a plan showing the location of the structure with a lot drainage plan has been approved by the Architectural Control Committee as to quality of material, color, workmanship and harmony of external design with existing structures and as to location with respect to topography and finished grade elevation. Homes constructed in this subdivision will have as a minimum, some brick or drivet/stucco finishes on the front and steel or premium quality vinyl siding (of thickness between .044 to .048 inches) on the remainder of the home. Both steel and vinyl siding will be professionally installed. Roof pitches on two story homes shall be 5/12 or greater and on single level homes, 6/12 or greater. No structure shall be built on any lot unless it meets with the approval of the Committee hereinafter referred to, or if there is no committee, it shall conform to be in harmony with the existing structures in the subdivision. The committee's approval or disapproval as required in these covenants shall be in writing. In the event the committee, or designated representatives, fail to approve or disapprove within thirty (30) days after plans and specifications have been submitted to it, or in any event, if no suit to enjoin the construction has been commenced prior to the completion thereof, approval will be deemed to have been fully complied with. The architectural committee is composed of Kenneth A. Satterfield, Steven H. Satterfield, and Billy Satterfield, with Ryan Satterfield as alternate member, all of Pocatello, Idaho. A majority of the committee may designate a representative to act for it. So long as Satterfield Realty and Development, Inc. owns any lots in the subdivision the authority and functions of the architectural committee shall be lodged in and exercised by them. At the time a certificate of occupancy is given for the home built on the last vacant residential lot in the HIGHLAND VILLAGE 6th ADDITION subdivision the architectural control committee provided by Satterfield Realty and Development, Inc. for the HIGHLAND VILLAGE 6th ADDITION subdivision is dissolved and in turn the existing committee may appoint at least three lot owners of HIGHLAND VILLAGE 6th ADDITION to replace them on the committee. The then formed interim committee will have all the powers and rights of architectural control and will be responsible to call by notice in writing, a meeting of all homeowners within the subdivision to elect a standing architectural control committee for the subdivision.
6. **ANIMALS.** No animals or fowl, poultry, or livestock, other than a reasonable number of generally domesticated household pets, shall be maintained or permitted on any lot and then only if they are kept, bred or raised thereon solely as household pets and not for commercial purposes. Incidental use of recreational vehicles in the street for up to two days is precluded from this requirement.
11. **NUISANCES.** No rubbish or debris of any kind shall be placed or permitted to accumulate upon or adjacent to any lot, and no odors shall be permitted to arise therefrom, so as to render any lot or portion thereof unsanitary, unsightly, offensive or detrimental to any of the occupants thereof. No nuisance shall be permitted to exist or operate upon any lot so as to be offensive or detrimental to any property in the vicinity thereof or to its occupants. Without limiting any of the foregoing, no exterior speakers, horns, whistles, bells, or other devices used exclusively for security purposes, shall be located, used or placed on any lot.

Lot grading should be completed in accordance with or similar to those designs provided by HUD-FHA in their manual (4240.1) which includes provision for any run-off waters to drain along each side lot line and along all lot lines. Lot grading is to include sloping the yard away from the home in all directions eliminating the possibility of run-off waters running to the house foundation. (See attached Detail). For those lots with a side slope, it will be the responsibility of the owner of the down hill (lower) lot to insure the existing grade of the adjoining lot up hill from his/her, by means, if necessary, of a retaining wall, erosion resistant landscaping or other decorative structure on his/her property.

It is further required that each home have a minimum of a two car garage having an exterior width of not less than 22 feet attached to the home with two single garage doors of at least 9 feet in width each or one door of at least 16 feet in width. All 3-car garages are to have either 3 single 9 foot doors or one single 9 foot door and one double 16 foot door.
In the entire subdivision, garages may only be used for the storage of automobiles or other personal property and may not be converted to living area unless a new garage is built at the same time of garage conversion and is approved by both the architectural review committee and the City.
24. **PARK STRIP.** Homeowners are responsible for the maintenance of the "Park Strip" between the curb and the sidewalk, and are to plant, care for and maintain three (3) trees per lot evenly spaced in the park strip. These trees are to be of the species Little Leaf Linden, (*Tilia cordata*). Trees will be planted within the first growing season possible following completion of construction of the home on any given lot. This "Park Strip" is to be grass or other vegetative cover. Homeowners of Lots 7, 8, and 9, Block 2 will plant trees in area remaining in green strip in proportion to tree spaces in full frontage lots.
25. **TREE PLANTINGS.** Certain species of trees will not be allowed in this subdivision. If the parties hereto, or any or them or their heirs or assigns shall violate or attempt to violate any of the covenants or restrictions herein, it shall be lawful for any other person or persons owning any other lot in said development or subdivision to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate such covenants or restrictions and either to prevent him or them from so doing to recover damages or other dues for such violations. Invalidation of any one of these covenants by judgment or court order shall in no wise effect any of the other provisions which shall remain in full force and effect.
